Instructions on File  
No. 13

51-131 & 51-406

INTERNATIONAL GENERAL ELECTRIC CO.

120 Broadway

Mr. Gerard Swope.  
Mr. M. A. Oudin, Schenectady.

Questionnaires and replies.

September, 1918 - Mr. C. A. Coffin wrote Col. Martin, suggesting contact with Mr. Gunn, of U. S. Rubber Co.

October, 1918 - MID wrote Mr. Coffin thanking for reception of officers and outlining method of communication. Mr. Coffin suggested contact be maintained through Mr. Oudin, who expressed entire willingness to conform.

January, 1919 - Mr. Oudin sent information on China.

May, 1919 - letter introducing Maj. Philoon to Mr. Coffin.

December, 1920 - requested to be put in touch with their special representative from British Guiana, and were advised he would give information if he had anything pertinent. Nothing further, apparently, on this.

January, 1921 - Maj. Miles wrote memorandum to M.I.2 forwarding pro-Japanese information from Mr. Coffin.

January, 1922 - Mr. Swope furnished list of foreign representatives and M/A's were directed to form contacts. Mr. Swope wrote letter expressing real desire to continue contact.

February, 1922 - letter from Mr. Oudin, enclosing letter from representative in Cuba, expressing satisfaction with plan.

February, 1922 - Mr. Oudin called on MID and was furnished maps.

March 21, 1922 - Mr. Swope interviewed by Maj. Churchill. Asked for economic monograph and estimate on France. Estimate furnished Apr. 3 and question of furnishing monograph taken up with Col. Graham. Action to be indicated later.

Commented on psychologic estimate on France.

Thanked for his cooperation. Found to be very enthusiastic.

April 4, monograph (economic) on France sent Mr. Swope; returned with request for copy of account of French radio stations, which was sent.

Letters from M/A's and representatives of firm abroad indicate in general a good deal of satisfaction with cooperation.
